What do we do?

We bring our dispute resolution knowledge and expertise to bear around the globe, acting for international clients from established and emerging markets as diverse and geographically disparate as Brazil and Japan.

“Daniel Burbeary is a future international arbitration leader, who works closely with clients to identify the optimal legal and commercial strategy”

Our team of highly qualified and multi-lingual arbitration specialists arbitrate under all of the major institutional rules implemented by the world's leading arbitration centres, including London, Hong Kong and Singapore and are recognised by the major legal directories for their abilities.

Our expertise

We represent corporate and high net worth clients in commercial and investment treaty arbitrations conducted under all of the main institutional rules, including those of GAFTA, ICC, ICSID, LCIA, LMAA, UNCITRAL and SCC. We have extensive language expertise, including English, French, German, Hindi, Italian, Mandarin, Marathi, Russian, Spanish and Urdu.

“now well-established in this field and has a reputation for innovative and cost-effective ways’. The practice has substantial experience of conducting arbitrations under all the major institutional rules”

We have particular experience of enforcing and resisting enforcement of arbitral awards around the world, and challenging and defending challenges to awards before the Courts of England and Wales. Our asset recovery specialists bring their formidable skills to bear whenever and wherever necessary.

Our team

Cooke, Young & Keidan has received extensive recognition as one of the leading dispute resolution law firms in London.
